**On Monday, Sept 2 at 2:40, a dark grey truck with two yellow kayaks rear-ended my car at the stop sign in front of Wells Fargo.** When they pulled over to exchange information, the driver sped off. I was able to follow him through Marshall, but because he was driving erratically and passing people across a double yellow line, he got away. Anyone who might've seen the license plate or the driver please contact the sheriff.
